

About The Plymouth Public Library Foundation

We are incredibly proud of the fact that our Library – your Library – continues to be the hub of our community, providing literary, technological, and cultural opportunities for Plymouth and many of its surrounding towns.

Now more than ever, libraries are vital community institutions, providing free, safe, and much needed services, connection, and a sense of true community. Your support ensures we continue to meet the educational, cultural, recreational, and informational needs of the citizens of Plymouth and its surrounding towns. In addition to our extensive collection of books, movies, music, and research resources, annual sponsorships help provide:

Literacy:

- ❖ English conversation groups, One on One Tutoring, on-line language learning tools, ESL tutoring
- ❖ Free education and prep courses for HiSET / GED through our nationally recognized Literacy Program

Technology:

- ❖ Internet access and meeting space for remote workers, students, and patrons who are looking to find work, start a business, take college prep courses, apply for government benefits, and research encore careers
- ❖ Phones, tablets, e-readers, museum passes, streaming movies, and our new Library of Things

Arts & Culture:

- ❖ Free enrichment, educational programs, and community events
- ❖ Arts and culture programs including our Art Gallery featuring rotating exhibitions and local guest artists

Senior Outreach:

- ❖ Support for seniors, the home bound, and the other-abled through assisted technology and remote visits

Buildings and Grounds:

- ❖ Outdoor enclosed garden space for patrons and programming

Children and Youth:

- ❖ A safe space for teens and young adults

**Libraries are at the heart of communities,
help us to continue to provide the very best!**
