Plymouth Public Library Foundation's (PPLF) Annual Golf Tournament raises money for the Library's nationally recognized Literacy Program which provides free access to classes for adults interested in earning their high school equivalency diploma. Golfers spend a day on the links in support of these young men and women who are hoping to transition to a better job and way of life. Putting Contests, Hole-in-One prizes plus prizes for winning foursomes and longest drives make the day-long event a winner for participants and the Library's Literacy Program.

Gardens of Plymouth: Inaugural Garden Tour

Thursday, July 11, 2024

This summer we are proud to introduce an event designed to highlight many of the spectacular gardens in Plymouth while raising funds to improve the green spaces that are an integral part of the Library. Our kick-off event will coincide with the opening of the Library's grant-funded community garden! The tour will include six gardens each lovingly tended and all with a unique feature – sustainability! While visiting these gardens, horticultural experts will point out these elements and explain how you might introduce them into your garden. From beekeeping to composting, chickens to join us for a wonderful day of exploration! This year funds raised will be dedicated to the improvement of the Shiff Garden.
